

# TurboFarewell WAR PLAN

## 12 LIST BUILDERS FOR YOU Creating Your "Of The Day" Clubs

"The WP Theme of the day"

Create a membership site and deliver 1 theme per day. You have over 60 themes for feeding this project. There are tons of Wordpress related products in Clickbank for promoting them to the list of this project.

"The \$1 MRR Report of the day"

This is a COOL idea... Use the content you get and create a list of reports on a subject. Offer each report for \$1. Deliver the master resale rights and apply War Plan #3 for maximum results!

"Tweet of the day"

You get 1000s of tweets you can use for feeding such a project! Deliver 1 or more than 1 tweets each and every day.  
HINT: You can operate this "club" through your Facebook or Twitter account and increase your followers and fans that way.

"The \_NICHE\_ tip of the day"

You get 52 blog posts and 52 tweets for 12 niches, so you can feed a project like this one! Example: "Get Your Breast Enlargement tip of the day" could be a list of a hot niche subject. You can advertise this "Club" through Facebook or Adwords and promote/sell related products to your free prospects! Repeat with the rest of the 12 niches!

"The IM PLR Ebook of the day"

You get 173 with Unrestricted PLR to feed such an idea. Deliver 1 PLR ebook free each and every day.

"The Blog Business of the day"

COOL idea: Pick a niche, create a blog, load it articles SELL it as a membership site at Flippa.com! With so many content you get you can sell TONS of Blogs for even \$1 over and over again each and every day!

"The IM Video Tutorial of the day"

You get over 50 video tutorials to start with. Create a membership site and have people signing up with your list for accessing them online.  
HINT: Add banners to related products on the top of each video and have people clicking on them after they are done with the video.

"Article of the day"

You have more than 3,000 articles to send for the next 3,000 days

"Screensaver of the day"

Use the screensaver generator, get some royalty free scenery photos, add a quote to each photo and release 1 screen saver each and every day.  
HINT: Use "Turbo Daily Downloader" for automating the process.  
HINT: Follow up with your subscribers and sell the software too so they can create and sell their own screen savers.

"Internet Marketing Tip of the day"

With 15 Mega Ebook Packages, over 60 ebooks and over 60 reports - all Internet Marketing oriented, you can feed this idea for many months ahead  
HINT: Use "Turbo Tips Manager" for automating the process.

"IM Mindmap of the day"

Get content from the IM ebooks and articles, create mindmaps that pinpoint a subject and release 1 mindmap each and every day.

"Discount of the day"

With the tons of products you get through the Farewell, you can set them up and offer a GENEROUS discount each and every day. The discount (coupon) could be applied to all products or to specific ones
